St. Louis, MO / (314) 444-7736

Jordan Chitwood serves as Chief Financial Officer at Lewis Rice, bringing nearly two decades of financial leadership and strategic management experience to the firm. Known for his ability to align operational oversight with long-term vision, Jordan plays a key role in guiding the firm's financial strategy, budgeting, forecasting, and organizational planning.

Prior to joining Lewis Rice, Jordan held senior financial leadership roles in both public accounting and private industry. He oversaw finance, accounting, and administrative functions for a local hospitality business, while also contributing to strategic planning, human resources, and operational systems. His experience includes managing complex financial reporting, guiding executive teams, and implementing innovative solutions to support growth and efficiency.

Jordan holds both a Master and Bachelor of Science in Accounting from the University of Missouri, Columbia, graduating with top honors. He is a licensed CPA in Missouri and a member of the American Institute of Certified Public Accountants.
